Experience

♦ Full-Stack Developer (B2B) @ OpokaTFI.pl | Warsaw | *(Apr 2024 - Feb 2025)*
  ◊ Developed bespoke full-stack app with highly customized CMS for private equity firm managing 900M+ PLN, using **Next.js, Sanity.io, PostgreSQL and D3.js** for data visualization
  ◊ Implemented robust API infrastructure for PDF generation, authorization, and authentication
  ◊ Led end-to-end development from business analysis to production, implementing a **CI/CD** pipeline
  ◊ Created **ETL procedures** for legacy CMS migration (Drupal → **Sanity.io**) with **100% data integrity** using **Node.js**

♦ Full-Stack Developer (B2B) @ SmileMundo.com | Barcelona (Remote) | *(Jan 2024 - Apr 2024)*
  ◊ Optimized complex ranking algorithm using **SQL optimization** techniques reducing generation time **45sec → ~1sec**
  ◊ Improved performance across multiple apps by implementing SSR, eliminating content load delays

♦ Full-Stack Developer @ Institute of Aviation | Warsaw | *(Jul 2022 - Dec 2023)*
  ◊ Led front-end refactoring of **'PILOT' ERP**, enhancing workload management for 2000+ employees using **Laravel**. Improved efficiency with **Vite** (HMR) integration and strengthened security by removing vulnerable dependencies
  ◊ Engineered part-time employee scheduling module, generating **~100 hours/month efficiency gain** for management
  ◊ Developed **(React+Laravel)** interface for "RADAR" - internal Security Operations Center monitoring platform
  ◊ Contributed to "POLSKI ROBOT" autonomous agricultural vehicle tracking application (**Spring Boot+React+Recoil**)

♦ UX Project Manager & Copywriter @ K2.pl | Warsaw | *(Feb 2015 - Jul 2017)*
  ◊ Managed cross-functional teams of designers and developers for digital marketing projects
  ◊ Optimized **UX** through data-driven content strategies and intuitive **UI design**
  ◊ Created compelling copy for web platforms and marketing campaigns

Other Exp

♦ Founder & CEO @ Lody Syrenka (Mermaid Ice Cream) | Warsaw | *(Aug 2017 - Mar 2020)*
  ◊ Created successful vegan ice cream brand sold nationwide through major retailers (Auchan, Carrefour)
  ◊ Managed production, distribution, and marketing strategies resulting in placement in national supermarket chains

♦ Professional Athlete | *(1998-2013)*
  ◊ Polish Yachting Association: National Sailing Senior Team member, international & national regattas multi-medalist
  ◊ Coach @ Kongelig Norsk Seilforening & National Norwegian Team | Oslo | *(Apr 2012 - Oct 2012)*

Education

♦ BASc: Computer Science @ Polish-Japanese Academy of Information Technology | *(Expected 2027)*
♦ MEcon: Corporate Finance @ Warsaw School of Economics | *(Oct 2014 - Feb 2019)*
♦ BPE: Sports Management & Sailing Coach @ Academy of Physical Education, Warsaw | *(Oct 2005 - Jun 2009)*
